SuperMidgetHey! SickOptometrist, when did you get back on these forums?

Hey 'Midget - I got real frustrated w/ the game & some clan rivalry (bullcrap). I threw up my hands for a while. But it didn't take me long to realize that I really enjoy goofin' around in the forums & playin' this God forsaken game...So I really couldn't stay away for long...It's weak I know. I'm just not motivated to pursue any of my other hobbies right now...

That brings up a question - what kind of other hobbies you freaks into?

I'm an aircooled Volkswagen fanatic <http://www.cal-look.com> , but mine is rustin' in the garage due to my computer pre-occupation right now.

My hobbies?

making clothes and shoes in asia for half a penny per shirt,

being owned by big corporations,

working for smarties corp. and designing the blue smarties to get young kids hyper,

making footballs from pigs' bladder,

working for coca cola to help make the coke syrup that we sell on to the suppliers who then sell

them to fast food restaurants,

posting complete lies on forums where the majority of people don't know how to make their own dinner.

COol dudes, thanks for replies-

My ol' car rescued from junk yard & made into show car w/ go to match - ran low 13s in 1/4mile & reliable daily driven. Miss the car - had to sell to help pay for college expenses & the dude wrecked it!
