Nobody ever makes funny mockery posts, so ironically, the person they're making a mockery of has done a better job than them.

Well, since you don't want to ask for it, then I will. Hey, could I see a homoerotic gif where men shoot out of each other's wangs? Seriously though, that picture is odd and disturbing.

I don't think i'm ever going to get over that. It's just something I never expected to see. You would have to be one sick puppy to make something so terrible. It's almost as mindbending as this.

Oh, forgot to respond to the actual topic....Exslap Im not sure I believe you. Why? I know EXhyper is good friends with the Xil xlan, and frankly, I dont trust those guys at all. EXhyper (or what I gathered from his posts at the Xil forums) is a jackass. You're all-caps possible-fake-excuse post above doesnt dissuade me from believing you're different.

This has degraded even farther from the original post. I unbanned him and if I see him trying to exploit RenGuard again, it won't be unbanned. End of story.
