I may be a christian, but that doesn't mean I'm a religious person. I've been to church mabey 5 times.

I'll judge if I want, and I judge that he is a heartless peice of crap for posting something like this making fun of an innocent disabled woman who was murdered in a concentration camp in florida , yea that spelt wrong, get over it.

You're far from being Christian. Being a Christian doesn't mean you just believe in God.

bigejoe14 If you're a Christian then you should never tell people to go to hell and die. As far as I know, he just believes in God. I don't know what else he believes on top of that, but yeah, the "go to hell" stuff is kind of rash and definitely un-Christian and rude to just about anybody's standards.

. I already said im not a religious person. I only stated that is what i guess i would say if someone asked me simply because thats just waht i've been told. Im not perfect, im an asshole and i don't care. I belive in Hevan and Hell, i know right from wrong, wrong is killing an innocent woman and then supprting it by posting crap like this. I speak my mind.

Your a disgrace to everyone who cares for human life by laughing at this or even just jumping on me instead of him.

All I said was that you are a disgrace to Christians if you consider yourself one. And you said you do consider yourself one. I never stated any stance on Shiavo, so don't go making such dumbfounded assumptions.

Oh, and to point out one blatant contradiction in your own argument, consider the fact that you stated "I'm an asshole and I don't care," and then promptly followed up with "I know right from wrong and killing an innocent woman is wrong." Well being an asshole is wrong, at least that's what any decent person would say, yet you don't care about the fact that you're doing something wrong.

You contradict your own morals. So you could say Terry Shiavo is just another case of people not caring about right from wrong.

Just like your own case of being an asshole. Asshole.

Theres a difference in being an asshole when its un-called for and when it is. He deserves anything anyone can dish out to him.

You realize that it's no Christian's place to judge others and to look down upon on them and call out their own sins when we should worry about ourselves.

"I could care less what some nerds on the internet think about me nor shall you."

And you care what some nerds say about Terri, and then you go on insulting people after giving advice not to care about what people think about you on here. So why bother posting. People will always have thier opinions, though they can be "cruel" to some, but they don't strike ppl the same way. It's stupid voicing your opinion then shitting on another's. Like you said why should you care what people say on the internet. What's said is said.
