i get this Fuckng Error: Loader couldnt initialize Service!

It started after my Antvir found a Virus in

Sys32 folder but its Bs its not a Virus just my Anti Virus Program is gay

So now i try to start the game it tells me the same fuckng crap over and over agen.

well you mentioned in the other thread that your antivirus deleted a file it thought was a trojan so
reinstall renguard, and this time don't let it delete that file :S

THANK you   Scythar

To Fix it Got to (Start > Run > Regedit)

and Delete This Reg key

HKEY_LOCAL_MACHINE\SYSTEM\Contralset001\Service\SVKP

If I would start renegade it comes this message: Error: Loader could not initialize service!

WTF is happened?
RenGuard would not start I can only play renegade with the game2.exe but renguard is all the time inactive!!

what can I do?

where is this start > run > regedit   ??

what is this?
