Reality show shouldnt be watched. They are the aircraftkiller of network television.

Watch seinfeld reruns.

No. you should watch classic british comedy like Black Adder, Faulty towers and monty-pythons flying circus. That way you will know both the fish dance and the lumberjack song!

I'm trying to get my asshole rating up too.

I'm a 7.5 or 8 out of 10 right now. I need to get someone on the verge of killing themselves to be a true 10/10 asshole.

It took me a long time to get to 7.5. I've never met a 10/10 asshole.

j_ball430I think I register fairly high.

It's harder than you think. Meet me in real life...I can be a real fucking asshole to anyone. And believe me when I say that it took me a really long time to get to 7.5.

Theres all kinds of criteria for this shit.
