5 stars to anyone who can get me this file... the reason I want it so badly is because it wants to be modified for the mod "Reborn" if you know the person who made it or if you can retrieve it please drop me a line at SAG-007@satx.rr.com

Do you need the GMAX version or can you use the LVL file and add your mods to it? WW released the C&C_City.LVL file. (you can also use XCC or Renextractor to get the LVL,LDD ect...)The Reborn mod is OWNAGE! [October 28, 2002, 09:55: Message edited by: garth8422]
