I'm still unemployed, and I've got server bills to pay in a couple of weeks for RenGuard, these forums, and much more... It's about \$500 all together, and without your help, it's Blazer's savings that will pay for the servers, and I don't want that to happen.

So, if you'd like to contribute, you can Paypal me at [crimson@blackhand-studios.org](mailto:crimson@blackhand-studios.org) or [crimson@n00bstories.com](mailto:crimson@n00bstories.com), or snail mail cash, checks, money orders, or hate mail to:

P.O. Box 9003  
Phoenix, AZ 85068-9003

Thanks.

So your flat broke? Wow, I would have never guessed that. It's too bad that you are unemployed right now though. I hope you get a job soon with some good income. Good luck on job searching and the best to you.

I just donated \$5.

Yeah it isn't much; only 1%, but I don't have much to throw around myself.

I suggest for people to donate. I can't even run Renegade right now. I haven't been able to for a while now and I'm not gonna for a while more... But I use the forums very often. Time to give something back.

Remember though, most people put a return address on their letters. So leave it off lest Blazer hunts you down.

Not without a job he wont. Cost me \$500 in gas to go from NC to TX last september.

Blazer has a job. I don't. I am currently in the process of interviewing with GoDaddy as a MySQL

---

DBA. I scored very well on their thinking skills test and I interviewed with a potential future co-worker, but the hiring manager became unavailable so I have yet to talk to him. However, I have confirmed (twice) with the recruiter that I'm not out of the running. He expects them to have everything decided within the next week or two.

However, at the end of the month, the server bill is due. I am considering consolidating servers a bit and getting rid of one that isn't very powerful. But that would still leave \$400 to go. Thanks everyone for your contributions, no matter what the size.

Crimson, if you can, keep us updated on how much you need to go, I will try my best to counter it.

P.S. I am having a few Paypal problems, its saying my card is invalid. But I am sorting it! \$40 on the way to you!

Thanks guys... you know I don't normally depend on financial support from the community, we're just in a temporary rough spot. If you're a member of another Renegade-playing community, you might consider posting a link to this thread over there so those people who don't visit here often might be able to help RenGuard out.
