Psyco, I replied to this topic at the WN Forums.

Quote:Visit my Troubleshooting Guide on Renguard...
http://www.cabalonline.com/Renegade/rgts.htm

So basically, you need to make sure that the game.exe is 353KB.
And your game2.exe is 4.20MB.

If you have deleted either files, downloads game.exe (renguard) from the RG site or game2.exe
(Renegade 1.037) from HERE

C Ya

Andy.
