KIRBY098 has some time off from his work at D6 to give us a few quality updates to the story.

The story is available at <http://fury.exnyte.com>.

Enjoy!

This story is kind of on the back burner for him until he finishes his work with the Dead6 mod.

Then he'll be back to updating it like The Scorpion's Tale was.

With his work with D6 wrapping up, KIRBY098 is now able to continue work on The Fury of the Messiah. He has already produced two updates in the past few days, with many more to come!

The Fury of the Messiah

What work at D6? That thing has been dead for almost a year. It's like the Reborn of Half Life 2's community.

Ahahaha pitiful fools. You cannot comprehend the divinity of the trashbag.

Climb back into your pit of "owned" and "noob" and dare not touch what transcends time
