I've finally got this map to the beta point so I could really use some people to test this with. If you are interested contact me at mastersony2@msn.com via msn or mastersony1@aol.com via aim.

v nice!

the mountins look a buit repetitive on the textures

but still good!

Thanks guys I should be getting some feedback here soon from a few people then I might change it up a bit. If anyone wants to beta I could still use more people.
