Don't give these fucks free domains....they dont nothing but insult you a time not so long ago.

I find it funny how you people can sit and ask for free domains, yet I thought cheaters were people to be scornful of. Jerks.

that is true everyone has been a ass but you are forgetting one thing.....

nobody said i was giveing them away

i might but then again

nopicnightma y u want 1 u own hosting company

it costs me money to register domains

and there is a certain domain that i have had my eye on for awhile now
