I am a WOL user, I want to kick/add people from my clans [DOCTOR] and [FUNK] but WOL clan pages are obviously down. This has been a big problem for me, does anybody have any info on a place on the internet to use that will enable me to use the WOL renegade clan pages? If anybody know please respond.

Thanks  
JD

The clan pages are down for good (99% sure), and there is no way to use them, even from the internet.

Most, if not all clans are moving to GameSpyArcade

Aww, I really wanted to get my clan set up again, I guess I'm late.

I guess I'll have to, there are no ladders though. The Clans are kinda weak too.
