May I ask that why do you hate Star Wars so much? In my opinion, Star Wars has epic story and much other great things.

I don't like starwars at all. I don't like the story-line, and the action eighter. I think it's boring.

I've seen some screenshots from age of empires 3. It looks great to me! But I don't think my pc can handle it.

Then it is good time to watch them, because they are really worth it.

Yeah, well anyways, I think both games are kick ass. I need to get a new video card first before these two come out.

Maybe a Geforce 6800.

Quote:'Star Wars' fans hurt using homemade lightsabers

LONDON (AP) — Two Star Wars fans were critically injured when they tried to replicate the lightsabers used in the movie by filling glass fluorescent light tubes with fuel, police and a news report said Tuesday.

The pair, Mark Webb, 20, and an unidentified 17-year-old girl, were planning to make a video recording of a duel like those in the just-released blockbuster film Star Wars: Episode III — Revenge of the Sith, Britain's Press Association news agency said.

They were injured when one of the makeshift sabers exploded Sunday evening in the woods in Hemel Hempstead, north of London.

Hertfordshire Police said a third person present when the explosion happened had been questioned. The department said the two who were injured were in critical condition at a burns unit in Chelmsford, Essex.

"At this stage we are unable to confirm the exact circumstances, but glass tubes and traces of accelerant (flammable substance) were found at the scene," police said.
