Hey my name is Jon and um.. I a decent Renegade player and a really cool guy to get along with.
I just wanted to get to know "the ropes" i guess u could call them. um.. if anyone would like to
tell me how things go around here and possibly their Renegade names i would appreciate that.

Just a question.....why?

um and i realize that this wasn't exactly the best place to put a intro message but um.. why do i
have to run? and whats ur wol name? mines Lilj315 same as my regular name

My best suggestion to forum newbs is this: just look at other posts and how other members
respond to everyone else. When you get the 'feel' of how to post, go ahead and post.

Welcome, by the way.
