wat do u need 2 set up a fds?

The fds download

+ a bot

anything else?

an FDS serial if your planning to host it on wol.

a good internet connection.

oh sweet

im hopefully gettin a code so yea

i think 4m 4m net speed will do it

will it?

as long as you dont take the player limit over the top then yeah should be good

btw sorry for the headshot earlier (irleety0)
