Get a program that can browse and extract from .MIX files, like XCC Mixer from here:
http://xccu.sourceforge.net/

And look for it in the game files.

Umm ok I don't really know how to work that stuff either but thanks.
I will try the XCC thing and see if i can get it Thank You.

Yes I know I'm here stalking my own topic untill i find that song

http://homepage.ntlworld.com/k.livingston/

find it in there

DON'T GET IT FOR LIKE 10 MINUTES YET. it's still uploading and your attempt to download might fuck the upload up.
