2day i was playing is altserv1
a few games l8er i get all these ur invitations have been declined an i didnt even invite any1

gearbud got it first then xtreexx
it makes it so u cant play it makes u lag alot

y did all the invitations delcined come up?

No just you
you can get thier name by /r (replying to the message) and just end renegade.exe to make them stop

well it happened again! 2day
on the same server
i couldnt really get the names but i no there were a few different 1s
so now im gonna have paging turned off when im on that server
oh and the server is altserv1 LT ctf!
