Caveman wasn't on IRC under your name, he was on IRC at the same time as whoever was on your name.

(K4I3I) (Try\_me@n00b-A7A70CB5.eastlink.ca)  
(Caveman) (Mavadosh@n00b-2574476F.cvx1-c.pop.dial.ntli.net)

The vhosts from when they were both talking in #BHS\_Support.

No, that's a Canadian ISP. And everyone can already see you're from Turkey, look in the top right-hand corner of every post.

[03:56:20] <K4I3I> you cant ban me from RG  
[03:56:26] <K4I3I> coz i haxed it  
[03:56:37] \* MPzunnie sets mode: +b \*!\*@n00b-A7A70CB5.eastlink.ca

is it rly a pic hard to get it ?

there were 2 K4I3Is yesterday ..

1 of them was on rg irc .. thats fake K4I3I --> (K4I3I) (Try\_me@n00b-A7A70CB5.eastlink.ca)

1 of them was in MP server .. thats real K4I3I --> dynamic85977663.ttnet.net.tr

K4I3I on rg irc has an ip from CANADA

K4I3I on MP server has an ip from TURKEY

so .. some1 with canada ip impersonated me on rg irc n said stuff like "i hacked rg etc.." on irc ..

n u banned K4I3I with turkey ip from rg ..

ffs...

I should have known better :S

There is no way someone who actually 'cracked' renguard will come on IRC (one of the very few places where you can get banned from it) and keeps bragging about it.

---

I shouldve thought twice before banning...

Sorry dude.

It wont happen again I hope you dont hate me now

Grtz. zunnie
