Don't think it's going to, as that would most likely pose security issues.

However, I could be wrong, if mac says otherwise then I am.

I think that most people just don't use search because of 3 possible reasons:

1. They don't know it's there.
  2. They're lazy.
  3. They want post count +1.

I could be wrong, but yeah.
