They're already working on BFME2, I really don't see why you're getting hyped up by a game that's most likely never going to be released.

Oh, and Mark Skaggs, responsible for the community announcement about RA3 left EA a while ago.

Not to sure about Red Alert 3 for PC . They announced 2 C&C games for the psp and 1 for the Nintendo DS. Not to sure weather they changed there plans or not.
