Well the #1@C&C Clan is in need of new members, I am looking for people who can address the following...

- they have mirc
- they play renegade quit often
- they aren't n00bs and have good attitudes
- they r good players

if you would be interested in trying out, plz reply to thius message

You have a horrible clan name and you fail at English 201. Possibly even 101. The English thing I've pretty much come to accept, but I REFUSE to disregard your clan name! What on Earth possessed you to come up with a name that looks like something from a viral e-mail?
