you want it so that if you buy a vehicle.... you get a weapon?

Thats kinda a weired thing to do... So you want the gun to be droped by the C103 drop plane.. and spawn in the weapons factory?? YOUR MAD!!

Not even half as mad as a fucktard making the head bigger than the body of characters just cause he can't hit it otherwise...

then dont built a vehicle factory! lol

or is it you want people to be able to buy extra weapons...thats kinda open 2 abuse...lets pay 2000 for a ramjet and walk out to find someones walked off with it!

Why am i the one being flamed. I am trying to help your sorry asses... Look, you are all little kiddies. Grow up!

I have to saythat Crimson is the only adult figure you have in this godforsaken forum.

Oh, so you are XeonTeam. Well, i suppose hello will do.

How would i go about making a mod like the one requested above? I wish to instead make it so, when i purchase a weapon, it spawns a vehicle.

I would like exactly that, buy a weapon, and have it spawn. I would really like it to go right to that person, like a beacon, but I don't know if that is possible.

XeonTeam wrote on Fri, 05 August 2005 21:18Why am i the one being flamed.
Because you ruined some very good games for me, that's why. And because I do not like cheaters. Adding that I am a rather sarcastic guy, I will never miss such a perfect opportunity ast his one...

I suspect it would require some new scripts or a file to be altered to make that work..

So does that mean u wanna be able to get in the weapon? Or have it so that u buy a vehicle, but instead your given a weapon to your infantry. Still dunno what u mean.

Thats EXACTLY what he means. Whenever he buys a vehicle, it instead gives his infantry unit a certain weapon. The vehicle will not be produced, however his weapon will be automatically given to him, or spawned under his current location so that he obtains it instantly.

Ok then, if thats what he means then could ya post what ya want the weapons to be whe u buy a vehicle?

Hummer = Chain Gun
Mediun Tank = 1000 Sniper
Mammoth Tank = Personal Ion Cannon

do you want the prices to be the same as the cost for the player in game?

eg: med tank = 1000 credits and u get a 1000 sniper

View Forum Message <> Reply to Message

FlameTank: N/A
Buggy/hummer: Chaingun; $200
APC: Remote C4, $500
Light/med: advanced Repair gun, $500 (don't want to make it cheap to disarm beacon)
Art/MRLS: advanced Rocket Launcher, $400 (price of gunner)
Stank/Mammy: Armor increase of 50 (limit of one), $1000

and for flying maps:
Apache/Orca: Tiberium Flachette, $500
Transport: Railgun, $500

View Forum Message <> Reply to Message

Flame tank is not needed because it is Nod's extra tank. So, unless its possible to add a tank to GDI, then leave it as nothing. If that is possible, make that a 500 Sniper rifle.

So, does anyone have any idea on how to do something like this?

Subject: Re: Replacing Vehicles With Weapons
Posted by Oblivion165 on Mon, 24 Oct 2005 20:39:33 GMT

Easily Done. Or at least in theory.

Global Settings ~ Purchase Settings ~ Vehicles(GDI) Etc

Mod the purchase preset to the weapon powerup.
Might crash, might work like a charm. Try to find out.

EDIT: Ok tested it and it spawns the weapon at 0,0,0 I dont think there is any other way.

Subject: Re: Replacing Vehicles With Weapons
Posted by theplague on Thu, 03 Nov 2005 05:48:51 GMT

build tank, get owner, grant powerup to owner, blow tank up...

i'm stuck on the 'get owner' part... i already scripted the grant powerup and blowup tank bits...

edit: also, if you make the tanks unteamed, there will be no delay in building

Subject: Re: Replacing Vehicles With Weapons
Posted by ghostSWT on Thu, 03 Nov 2005 06:21:54 GMT

in ssaow 1.3.4

under
void M00_GrantPowerup_Created::Created(GameObject *obj) {
there is a
  if (Settings_ShowPlayerPurchase) {
   char PurchaseMsg[512];
   sprintf(PurchaseMsg,"%s purchased a
%s",Get_Player_Name(obj),Translate_Preset(IsPlayerVehicle(obj)));
   FDSMessage(PurchaseMsg,"_PURCHASE");
  }

based on that in that function make something like
if (Translate_Preset(IsPlayerVehicle(obj)) == "Nod Flame Tank")
{
  kill tank
  grant flame thrower
}
else if (Translate_Preset(IsPlayerVehicle(obj)) == "GDI Medium Tank")

```
{
  kill tank
  grant rocket
}
```

you will find the tank names in the server2.ini

View Forum Message <> Reply to Message

y not?

Subject: Re: Replacing Vehicles With Weapons
Posted by Whitedragon on Thu, 03 Nov 2005 07:42:04 GMT
View Forum Message <> Reply to Message

Because that script is attached to players and has nothing to do with vehicles.

View Forum Message <> Reply to Message

i got a working method

1) needs variable on the last GDI and NOD who bought tanks
1.1) Declarde 2 gameobjects (global)
2) attach script to player monitering credits
2.1) if credits go down and it's not because of buying a beacon, then the player is the latest to buy
a tank
2.2) set that players object to global last gameobject
3) when a tank gets created, make it look at the last gameobject (depending on nod or gdi)
3.1) grant powerup to player
3.2) destroy tank

- your done.
