I knew about this. I for one am a fan of ILL Mitch if only because he's a straight-up poser. I don't know about his skating abilities, but have you looked at the guy? He looks like Richter-freaking-Belmondo. And he sounds absolutely nothing like he looks. Plus, he's always saying how he's "hitting cops" and playing with his "anger sword". "Bitches on his jammies" and crap. Utter crap. But his lyrics and music are alright, if not overly simplistic. Therefore, I like him.
