I need a stupid serial number for my FDS. Why do you need one in the first place? Such an idiotic idea! But anyway, does anyone at all have a serial number for me? I'm trying to create a unique server.

I've been renting a server for my clan for the past 2 years, unfortunately my broke a\$\$ can no longer afford it. Can anyone hook me up with a serial? I'm afraid my clan may die if I don't have a server to play on. Email me at ck1agn@yahoo.com if you can help me out.
