If i starts C&C Renegade RG starts automaticily.
And if i play online the servers kick me cause they say i didn't running RenGuard!
i dont know what i do now!

CAN SOME ONE HELP ME!?

If you change your name on WOL after logging onto RG it won't see you. RG only sees the name you signed into it with.

If you used a different account, you need to log off of RG and back on so it can find you new account.
