Well, this mod is basically being done entirely by me, and because of this, it is taking a LONG time to get anything done. So i am looking for good modders to help me on this mod. I need:-
Mappers- Skinners- 3D designers- A web designer- Level Editors
This mod has great potential, there are already two new aircraft incorporated into it, the GDI F-35, and the Nod Black Harrier:

I especially need some good map makers, but any help will be good. If you want to join this mod, or find out more email me at: scarface_renmods@hotmail.com
