Anyone else experiencing problems with Renegade Realm(http://www.cncrenegade.info) It seems to try and load but takes ages then the page doesn't load. Is there problems with the server, just wanted to know if its a problem and i't coming back onine?

Thanks

Unfortunately this happens occasionally...but I can't complain, considering the price we're getting for hosting. (free)

Lefty could you fix my name and the e-mail link on the members page, "Sir Phoenixx" and

---

"sirphoenixx@planetcnc.com"

And: Weapons, Vehicle, and Objects Modeler.
