Try again, AirCraftKiller's title was fine.

Having a sentence in the title abolishes the whole point of a title.

still does not make sence perhaps he could make made it

My Gift for the 10th Anniversary of C&C

or something? 10th Anniversary of C&C Gift does not make sence, it makes you think that 10 years ago, a C&C Gift was released! and we are celebrating the release of the gift!

Quit while you're only slightly behind.

You were just looking for a reason to attack AirCraftKiller.

Yes, he corrects other people's spelling and grammar. If you don't like it, put him on your ignore list. Don't, however, fight fire with fire. It's sad, stupid and hypocritical.

[EDIT] For the record, "10th Anniversary of C&C Gift" makes perfect senSe.
