I just wrote a nice little story about him here:

[http://www.n00bstories.com/n00bfile\\_view.php?id=6385](http://www.n00bstories.com/n00bfile_view.php?id=6385). Play him on the Black Brigade server and you will see. If he starts losing he uses the !kill command from NightRegulator to get rid of you!

Last time I play there!

I don't really shop, but if I did, I'd get plastic. Paper is a bitch to have to carry shit with, and it's annoying as hell to bag. I know from experience.

Plastic. Paper, I think, is too bulky.

Paper is a waste of trees but plastic takes forever to break down in the landfills. Recycling for the win!
