You try to hijack this thread, and I'll call Crimson. And then DJM. And then I'll sue you for the hell of it.

Yeah, I got tired of it too, but I figured you wouldn't like it if that retard hijacked a thread. Especially about pet rocks. I'm getting tired of this sig, everyone has it. I'm swappin' to the one I made just for these forums. And any other Renegade forums.

Edit: OH MY GOD THAT THING IS HUGE! MS Paint, here I come.

Edit: There, much better.
