I eat people who post topics in the wrong forum:
General Discussion
General discussion of Command & Conquer Renegade
--OVER--
Clan Forum
Your center for Clan talk, Clan recruiting and a place to dish out the Clan challenges.

Who make crappy ad filled sites:
http://renegade.odbclan.tripod.com/

Espically when they aren't done:
the site isnt done yet but u can still register thnx

People who can't write out whole words, and attempt spelling and grammar:
thnx.

And crappy images:

Note: Don't attempt to make a clan website without some knowledge of Adobe Photoshop, Slicing, and HTML. If you don't have knowledge of those, then don't show off your website.

Or unless you know at least HTML (php is also useful), and have a friend who can make good graphics

(Yeah, I am useless at creating graphics, but I am good at writing php code..)

Man oh man. . . Who to quote, who to quote. . . Ah! I think this sums up about how I feel towards this topic, this user, and his clan.
