Well, maybe it was his aunt who did it? Or why not, his father?

well it makes a change from the usual

'my brother did it'

donate \$30 to bhs, and in future don't let your friend download cheats or hacks for renegade.

Our vocabulary needs to be fixed? You can't even spell correctly, or type everything out. Here, let me put it into terms you can understand: lol d00d u ned 2 giv bhs 30\$\$ 2 gt unbanz0r3ds cuz u r teh sux0rzez r els u cnt ply ren on teh s3rv3rz

That burned my soul.

Sticky post says:Message from RenGuard: You have been banned by Crimson on 21.08.2005 05:53:12 for username: Using blacklisted executable. Goodbye

This means you have been using one of 2 available "RenGuard cracks", that try to bypass RenGuard by modifying itself (the game.exe) file. We have fixed these exploits, but they are not 100% fool proof, until I have time to implement a new detection method that produces no false positives.

He may be innocent.
