you can simply click the handy little button labelled edit, instead of posting again...

You can't host a sniper mod without FDS unless you modify your renegade always.dat etc, which will mean you can ONLY play sniper mods, and renguard would go beserk.

(I think anyway, feel free to correct me anyone?)

lmao that is not true i got a sniper mod my self and it works and renguard doesnt goes berserker ill tell u what files i got in my snp mod (i dont use that sniper mod cos its an old sucking sniper mod)

scripts.dll,scripts2.dll,snipemode,source code

so it is possible
