Please help me, i visit http://renegadeserver.westwood.com an want a Serial for my Server.
It say me "All FDS Serial numbers have been allocated please contact Westwood Online Support."
What is that? Please Help
I search a serial

Then you better hope someone has one to spare and feels like giving you one..

The serials server was drained by someone who created a script to grab loads of serials. I don't know the full story but I gather that he never meant to empty the server...
