More power to the guy, and that referee can go shove a 10 foot pole up his ass. If I met that guy, I'd probably have to beat the shit out of him.

If you look him up he is REALLY good too. He has been on the radio where I live because he wasn't allowed to play in a game. The refs said he didn't have the necessary equipment to play by the rules. What they were referring to was he wasn't wearing shoes. And no I'm not making that up, there really is a ref that brain dead.

I know, the refs said he couldn't play because he wasn't wearing shoes, knee pads, and thigh pads.

That is too cool! I utterly respect that guy. Imagine the muscle power that takes. As for the ref? He needs to be papercut, and then dunked in salted alchahol.

deadfive wrote on Fri, 30 September 2005 13:47 I have a question...What role is it he plays on the team?

Kickoff. He runs on his hands downfield and tries to tackle the return man.

I have high respect for that guy. I hope he finds an alternative after being kicked off.

The ref can go fuck himself.

Imagine how good of a tackler he could be. Go for the knees!\*

\*This is an actual tactic, it allows for faster tackling. This is not meant as an insult.

actually going for the knees will leave you face down in the dirt. Always pay attention to the hips and waist.

Did you all of a sudden become an idiot when you went away, SM, or have you always been this fucking stupid? Either way, I'm noticing it now, and you really need to knock it off or go fuck yourself. I honestly don't care if you say that your post was sarcastic, you need to fuck off.

How the fuck is him not having any legs a humorous matter? I'll come to Canada and sever your legs for you. I highly doubt you'd be laughing if that happened. What this kid has done is a great and respectable achievement. You laughing about it only shows how insensitive people can be. Show some respect for this kid. I can't know for sure, but I'll bet you anything that this kid has more courage than you. Having legs is a luxury. Do you realize how physically demanding football is? More people than not, can't cut it in football, and they HAVE legs. This kid not only doesn't have legs, but he's succeeded where many have failed. Show some respect, or go fuck yourself. Your choice.
