The clan of RRMMDG is currently recruiting members. Very little requirements to join. We currently have 10-15 members. Our founder is Rufrky and have "borrowed" a server from the RPWS clan. We are the rebels from the RPWS clan. If you would like to join RRMMDG (RMDG for short), please contact one of the following people:

Rufrky  
Lordapes  
MathK1ll (moi)

Why are people just going to donate a server? One has absolutely nothing to gain by donating it. It's a waste of money to donate a server to some random clan.

Ummm, no they didn't. Brad15401 (RPWS clan leader) wanted them back, but he was acting like an, for a lack of a better word, @ss. They are not going back. But, thanks for your comments.
