Hey everyone. It's my Birthday. I'm officially 14 now. 14 and still sick, lightheaded and dizzy, but still 14. I got Beef Jerky, Powdered Donuts and a large White Tiger statue, so this Birthday hasn't been bad at all. Mmm... Beef Jerky...

Anyway, I just thought some of you might want to know, and others might want yet another pointless topic to spam in. Well, I'm gonna go munch on some donuts and attempt to watch T.V. now, so I'll stop typing now. See y'all 'round.

Thought you were slightly older than that from reading some of your posts.

Happy birthday

That he did:

You definately don't come here often. I'm poor. I have no money to spend on things I like, I have to spend it all on food and bills.

Here's something that will help: Get HoverSnap! and use it. It saves as the type you specify, as the name you specify, and in the folder you specify. Google it because I don't feel like going to my clan's forums and finding the site.
