Hey everyone..

I need the westwood online component's but I can not find the disc 1 to reinstall it. Is there anyone out there that has the setup for it.. I want to play renegade again.

.. please reply asap!!

You should just be able to install it from the setup menu.

[X] Install Command and Conquer Renegade
[X] Install Westwood online Internet such and such

Oh oops, i read it as "I cant find it on disk 1" as if he was exploring it.

in that case:

Attached

I think i got the RegKeys it would want. If not hopefully it will just add them itself.
