I don't think it's Spoony, who took that screenshot. It clearly says it's notspoony. Maybe they're  
friends?

On topic: Why are you posting this in RenGuard Network Bans? If you cheated on a server and  
they banned you, you should go to their forums and ask for their forgiveness.

If you tried to bypass RenGuard, you should at least copy&paste the ban message you get when  
you try to connect to the RenGuard network.
