Brand new clan. We will play Snipe/AOW games. Things to do if you wish to join: Make a Warrior Account on clanwars.cc to join the manual league. Preferably make your name something to do with burgers (ex. Mustard, Ketchup, Relish, Cheese...). Once you do that, add me to your MSN eye__of__the__beholder@hotmail.com. Then, download TeamSpeak at www.goteamspeak.com. If you don't think your good enough, that's fine. I've decided to train people in AOW and Snipe games in an effort to bring more activity to the league. Make sure you have a mic as well...

You forgot about getting run over by the harvester, which I know we all have had done one time or another.

It's because it's not real.. It's not a noun.. the definition for the noun (which would be in this case) would be a fellow(slang). (i didn't know nouns could be used to express approval)

Speaking of that... Recently I was playing that NightOX map or whatever it's called with the bridge and secret tunnels. I was bouncing around on the bridge shooting at an Artilley underneath me. I fell off and directly in the path of the Harvester, which promptly ran me over before I hit the

ground.

Oh, and everyone can get splashed to death by an Artillery. I do it when I'm in a tank sometimes. It's no big deal, it happens to everyone. Pros and Newbies alike.

Your high standards shall be the death of your Clan.

On the up-side, if I were going to join this Clan, I would totally claim the name "Jalapeño". Though my love of Chem Spray would probably make me more suited towards the name "Mustard".("Mustard gas". It's a really bad pun.)
