Hi Blazer, you sent me an icq message a week orso ago, but trillian doesn't send offline messages, so I can't reply when you're offline, and I'm not on icq often enough

You wanted to ask me anything?

ps. I hope you don't mind me visiting this forum, I'll promise I'll be nice :twisted:

What else is there to talk about? The only thing is perhaps that I heard some of you play some game, but with one or two posts that's done as well...

I think I flamed you 3 or 4 times for trolling forums by complaining about spelling. Never complained about your other actions I do believe.

ACK isn't a bad person. The problem is that he gets pissed off or annoyed to easily, which is when his dark side comes out.

You can ph33r him later when Crimmy bumps his status to Moderator or Admin. Then you can run for cover. :twisted:
