if you want to rent a server it is $20 a week with 20 players.First you need to donate to
wilkillu4@msn.com at www.paypal.com then post.

You expect money up front with that amount of info? Good luck.

Maybe if you listed the server specs and connection speed, what OS it is running, what kind of
access you will allow, what bot / SSAOW you will be running, GameSpy/XWIS or just XWIS etc.
etc. etc. then maybe someone could make an informed decision.

$20/week is what $80 when i can get people deals for much cheaper with free web hosting and

---

free Teamspeak.

The rene servers i can get people are.

20 player $40/month

Intel Pentium 4 3.2 HTT 2GB PC3200, 100mbit uplink.

FTP access (5GB of map space) renram and TCAdmin (enables you to start/stop/restart the server and brenbot)

Brenbot 1.41, SSAOW of your chioce..

With 1GB of web space and 20GB of Bandwidth.

And 20 player TeamSpeak2.

All for $40/month.

And you're trying to charge $80 i have two words for ya "Good Luck".

lol i played in one of your servers...
they lag like hell my ping was at 300 and its always around the 80-100 range.'

then ive seen your site and you misspelled so much.
your pretty much selling a server online with no insurance that we receive it. you dont even post
the sys specs!!!

fucking sake what the hell are you trying to pull?

Money?

I mean from nowhere he comes and offers us servers...
which he doesnt tell us the specs for one.he doesnt have any forums or site. this sounds like a
damm scam!
hes saying it like this "give me money and ill get you a server"
which he has no "contract" like most providers have.
ffs hes just a kid
hosting these servers off his 512mb ram 900mhz PC

He probably doesnt even know what renegade is. He just is going to random game forums saying
the same thing.

Ah LOL, i googled his nickname on google to see if he was doing this at anyother forums and i got
a pic of him. LOL

 http://www.nextgenerationsnipers.com/album/displayimage.php? album=19&pos=0

He was a kid wanting money! And it was all a scam.

Lol i talked to him on msn pretending to want a server. He admitted to being 10 and gave me the
name of servers he said he was hosting but diddnt exist, he diddn't know i was checking
everything he was saying to clarify it. He said if i paid upront hed give me a 50% discount. LOL

Pretty stupid too...

He gave me alot of coop maps for return of access to my box...
which i never gave and he kept PMing me on irc which i just zlined
