alright the Quick Match doesn't work all here is what it says when ever i click on Quick Match

Connecting to Quick Match.......
Channel List Recieved Succesfully.......
Operation Timedout............

then it just sits there

help

sry about psting here if some1 could move this to the other Forum that would be fine

As fair as I know, XWIS does not support Quickmatchgames,
I will talk to Olaf, to add this feature.

I do once in a while. It's nice to play in a different server once in a while, even if it's just to remind yourself just how crappy other servers are...

MatchBot (which sits in a special channel to organize quick match games) does not exist on XWIS, therefore, the quick match function will not work.
