I think he means where to get the no-cd version.

Also if anyone can help for some reason i cant get the core patch one to download..thx

Don't be a cheapskate. The game costs hardly anything as it is.

I wish I knew what dollors were.

Seriously though, the game costs, at the most, only five dollars, plus tax if applicable. It's really not that much.

hehe i was one of the suckers who payed full price at 39.95 for just the game itself - now i got like 4 more for 5.00 each

what can i say i loved the game lol
