Is it possible to play Skirmishes in C&C?

You mean against the computer?

In Renegade, I don't believe that possible. Well, it could be possible, theoretically, but you'd have to have a LOT of bots(infantry and vehicles), which could cause lag problems.

You could always go into Practice Mode and play against the computer there though. Don't expect the shoddy bots to help you a lot though.

I think he meant Tiberian Dawn.

He didn't specify exactly, and this is a Renegade forum, so I'm assuming.

You can if you download the Tiberian Dawn mod for Tiberian Sun. It has enhanced AI too.

I wished they had of had Skirmish for the first C&C though. When i wanted to do something new in that game i would make me own maps.

Oh well. With a stroke of luck (Hah!) EA will include a Skirmish mode in the C&C The First Decade version of C&C95.

They won't, but I can still hope.

Lucky for me my sister and I always played network games. Good old days...
