Actually, about 6 hours left until it's technically Christmas here, and about 12 hours from now until it's gift unwrapping time (after everyone is awake).

Haven't had my "second" Christmas yet, but: A pair of slippers, an arm and hand warmer thing, Magic: The Gathering(Firemane Angel & Hunted Dragon! Woot for Red!) & Warlord cards, a matching blanket & pillow, which are on my couch/bed now, a 24 capacity CD case, a poster which I was about to hang up, Beef Jerky with camo packaging(BEEF JERKY! WOO!), and stuffed animal which is a White Tiger.

I should have asked for one, but I guess there's always next year.

Instead I got a Citizens EcoDrive watch, "Ultimate Seventies" 3 CD set, a hoodie, a sweater, an alarm clock (my parents don't think I get up soon enough), \$25 gas card, c-note, "Team of Rivals" book, and "World War II: A Day-by-Day Collection" book.
