Ohmigawd the ADD clan is recruiting?! Oh joy of joys, I can't wait for this exciting clan? Can you wait for it? It's so exciting! I like the ADD clan! I also like cookies! Do you like cookies? I don't think I have any cookies at my house, but I have muffins! Muffins are good, too, like cookies are. Deep fried cookies sound good. So do deep fried muffins! I want to try that! Good idea, thanks for the recipie!

I seriously question the integrity of any clan whose leader can't type using proper capitalization, grammar, spelling, and can't avoid replacing whole words with letters.

What the hell would it matter? You can't be serious, can you? As if websites or the ability to type normally makes a difference in how good a clan can be, or its "integrity".

Well played. It was like you turned my argument right on top of my head.

Anyways, on the other hand, why did you feel the need to have said what you did? why do you feel the need to insult some random person for no reason?

'cause if I see something like this, where someone can't type to save their lives, I feel compelled to be an ass. It's how I get my jollies outside of the game. ^^

But if you want the long answer, I've made a topic in Hot Topics explaining my absolute distain for all things Clan-related.

Right. So let me get this straight. You go into a clan part of the forum (even though you aren't in a clan and don't want to join one) and you specifically join topics that's titled "recruiting" or such (remember, you don't even want to join) and you go ahead and talk to some person about grammar even though the guy could be 12 for all you know. (You'll find that it's probably around 80%+ kids at around that age use the same 'net "slang") Not that I don't see how this has anything to do with clans, but K. You go out of your way to insult people you don't even know and have no evidence whether or not a clan is "good" by your standards. the main point of being a clan is just playing together, which includes being in the same server; which sometimes mean that they will eventually be on the same team. I don't really know or care about your luck with clans, but I've played and been in clans where they'd be more than just happy to play a game together, just for the sake of playing.

Nobody asked you to come to this topic. The only purpose you even clicked to get in this one

was for you to criticize whatever you could about the clan. Though I don't know what you were thinking with connecting the whole grammar thing with integrity of a clan

That'd mean something if it didn't come from a guy who seems fixed on ranting and judging clans you don't know.

Besides what are you talking about? you think "What the hell would it matter? You can't be serious, can you? As if websites or the ability to type normally makes a difference in how good a clan can be, or its "integrity"." isn't being level-headed? You act like I'm practically shoving my keyboard against the wall or something. I'm acting as calm and cool as can be. As opposed to you making some big rant on why you generally hate all clans because of your own made-up stereotype

Why would you kick for supposed bypassing of renguard if you knew he was doing it? And if you knew he was bypassing it, i assume you contacted Crimson and Co. seeing as how it would be nice to ban people who bypass. Unless of course you have no proof and you are talking out of your ass. By the way, I like the, "Would you like to be banned since you proved me wrong" dealio. Perfecto.

i think you missed the point, im not playing with someone who sucks balls. you, your cousin and flaminapc all suck. no offence or anything, but you guys are really bad. i thought id help you out with your little nub tourny, but since u act like such a bitch when someone owns you, ive decided not to.

im jealous of FlaminApc joining one of the WORST (i mean that, worst) clans in renegade? your right, i wish i could be a part of that. i was just suprised to see a player with potential go and waste on nubs like spoiled. he could be a good player, but not anymore, and thats his decision. i could really care less now, since id rather have sex with rosie o donnell than join spoiled.
