Not that i have ever cheated before. But i used leveledit to make a cheat and i edited the levels, Deleted the walls so i could see the enemy base. I edited a sniper rifle.

I was actually able to take out the enemy pt's with it.

Wasn't there already a topic named "Good strategy" a few months back? I think that one had to do with placing Beacons or something.

Those remind me of someone

Yes, I live.

And who? Maybe DJM? or myself?

Hmmm....either way....sorry about this spam, but i needed one spam post before i come back seriously
