Do you mind shutting the fuck up about clanwars.cc? If a "representative" of that site was needed (which it isn't), I don't think it would be either of you. Wiggles, you've played about five games in the 6 months you've been there, Karmai, you're on the verge of getting suspended because you simply can't follow the rules... and judging by how you talk on cw forums, you hate the league anyway...

By posting this here instead of sending it in pm, he wanted to show that the cwars site isn't a bunch of jerks, and that these are outside incidents.

stfu spoony, you have no right to talk about representing the league, after the shit you just pulled, you've showed how much a complete retard you can be as well. i wont post what you did here cuz i dont want these little nublets not having anyone to idolize anymore. btw, ive alrdy explained the reason why i haven't cw'd that much recently, i dont think any1 here really gives a shit about cw's anyway. if they want to stay shitty players, thats their problem.

Spoony can do know wrong I dunno wtf your talking about.

I use to do the same thing, flame the guys on these forums and the others for not playing clan games or call them n00bies in hopes one of them would challenge me just so I can prove I'm badass.

But then

A: I grew up and realized its so retarded flaming people online

B: I realized the only thing it does is make you and the rest of clanwars look stupid and immature.

Just shut up and leave the forum they don't want to play you, they don't care what you call them and they are much more mature then you are.

If you really feel like you have something to prove to the people on this forum then go join a public server and get mvp a few times... although no matter how many times you do it they honestly don't care, the thing no one who comes on different forums just to flame people and put people down forget is that its just a fucking game.

recently, i dont think any1 here really gives a shit about cw's anyway. if they want to stay shitty players, thats their problem.

1.post what he did...perhaps that will truly make him a dumbass.

2."i dont want these little nublets not having anyone to idolize anymore" like dont idolize him ...

3."i dont think any1 here really gives a shit about cw's anyway"
your opinion...many good clans care about this..its the shitty clans that dont care.

4."if they want to stay shitty players, thats their problem"
uhhh no, your becoming a nopic type person (got banned from rg)
im saying something similar might just happen to you plus like the two of you, you both suck and are idiots who should just be banned from renny and thi forums so people like me shouldnt have to listen to you

Don't misinterpret my post. I didn't say I wanted to represent CW here... I said I didn't want you or Karmai to. If you pay a little more attention, you'll notice I said CW doesn't need a representative here.

I'll save you the trouble and tell them myself.

I changed GoTWhiskéY's join messages on the H2O server. Immature? Yes. Never said otherwise, nor have I defended that action.

I didn't say you cared, I'm just pointing out the flaw in your attempt to distance yourself from a league in which you hold the record for MOST of something-or-other.

I always want to play funwars, nobody else seems to think that's a good idea.. so I just get on my name so they will shut up and play, I just sit back.. let them ar me, and don't worry about it.
