I'd second this, but I think I already did somethin' like this on her Renegade Wiki User Info page.

or maybe it's just a mildly amusing thing to do (especially when everyone gets angry about it, but that's probably more to do with you than me)

Mildly amusing, or a call for attention?

Say what? Little rock? I come here every day. Little brother's name? Kinghigh? Yeah, I guess I do put my 2 cents in. Generally 1/4th of one of those 2 cents is hoping he never comes back, and the rest is flaming. As for that post you replied to, I was talking about you. I thought that you died, left, or something. And no, I don't have a crush on your little brother. As a matter of fact, I, as well as 99% of everyone else here, despise him.

So stfu about that dumbass, I wasn't talking about him at all.
